Glo. Then be it so : and goe wee to determine
who they shall be that straight shall post to Ludlow?
Maddam and you my mother will you goe,
To giue your censures in this weighty businesse.
Anſ. With all our hearts. *Exeunt manet Glo. Buck.*
Buc. My Lord, who euer Iourneyes to the Prince,
For Gods sake let not vs two be behinde :
For by the way Ile sort occasion,
As index to the story we lately talkt off,
To part the Queenes proud kindred from the King,
Glo. My other selfe, my counsels consistory
My Oracle, my prophet, my deere Cosen:
I like a child will goe by thy direction :
Towards Ludlow then for we will not stay behinde. *Exit.*

Enter two Citizens.

1. Neighbour well met, whither away so fast?
2. I promise you, I scarcely know my selfe.
1. Heare you the newes abroad?
2. I, that the King is dead.
1. Bat newes birlady, seldome comes better,
I feare, I feare twill prooue a troublesome world. *Enter ano-*
3. *Cit.* Good morrow neighbours.
Doth this newes hould of good King *Edwards* death?
1. It doth. 3. Then masters looke to see a troublous world.
1. No, no, by Gods grace his sonne shall raigne.
3. Wo to that land thats gouernd by a childe.
2. In him there is hope of gouernment,
That in his sonage, counsell vnder him,
And in his full ripened yeares, himselfe,
No doubt shall then, and till then gouerne well.
1. So stood the case when Harry the sixt
was crownd at Paris, but at nine moneths old.
3. Stood the state so; no good my friend not so,
For then this land was famously inricht
With politicke graue counsell : then the King
Had vertuous Vncles to protect his Grace.
2. So hath this, both by the father and mother.
3. Better it were they all came by the father,
Or by the father there were none at all :

For

For emulation now, who sh
